V V WILL BE SALUTING "LONE SOLDIERS!"

We are pleased to tell you that a group of Lone Soldiers will be visiting Vacation Village this year for Shabbat, July 26-28. These are young men and women who have taken temporary leave of their families in the US or other diaspora countries to volunteer in the IDF.

Our visitors will address us on Shabbat afternoon at 5:15 PM, as part of our Speakers Program, where they will share their unique experiences as "Chayalim Bodedim."

If you would like to host a Lone Soldier that weekend, please call Naomi Brody at (516) 859-7770.

You will be guaranteed an amazing Shabbat with this interesting guest at your dinner table.

Please let us know if a family member, who is a current or past member of the IDF, would like to join our panel.

We wish to display pictures of Vacation Village family members who are, or were, Lone Soldiers.

Please e-mail a photo of the chayal/chayelet in uniform, providing name, unit and years of service, and send the picture as a pdf attachment to melbrody18@gmail.com.

Thanks!

Shabbat Speaker - Ken Jacobson, National Director of ADL

The Surge of Anti-Semitism and the Israel Component

As discomfoting as it is, Anti-Semitism here and abroad has emerged with increasing frequency and intensity. Just last Erev Shabbat a man was assaulted viciously on his way to shul in Monticello. Other ugly incidents have occurred around the U. S. not to mention those in Europe and the U. K. Why this surge in Anti-Jewish, anti-Israel sentiment? Why now? What is its source and what is driving it? And how to confront it? There is no one better equipped or experienced to address these and other aspects of this scourge than our speaker this week.

Mr. **Kenneth Jacobson** is the Deputy National Director of ADL: Anti Defamation League.

Prior to assuming his present position, Ken Jacobson served as ADL's Director of International Affairs, where he monitored and analyzed events affecting Jews in the Middle East, Europe and Latin America, and oversaw the ADL Jerusalem Office, which assesses issues surrounding the Arab-Israeli conflict. He also developed and coordinated the League's presence in Vienna and Moscow.

This presentation promises to shed light on what is going on and perhaps provide concrete steps the Jewish community can take to address this troubling development.

Be sure to join us on Shabbat promptly at **5:15**, as we hear **Mr Ken Jacobson** address the topic: The Surge of Anti-Semitism, and of course, the Israel Component.

Shabbat Shalom

Susan Eckman

From the producers of Independence Day and the Patriot, Flyboys soars to new cinematic heights with spectacular special effects and thrilling edge-of-the seat aerial dogfights inspired by the true story of the legendary Lafayette Escadrille. This action-packed epic tells the tale of America's first fighter pilots.

In the Big Inning

The Brooklyn Dodger finally has emerged from hibernation to discover, quite shockingly, that the lowly Villagers, once the dregs of the division, have opened this season with four consecutive victories. The new swagger exhibited by the Villagers can be traced to Mendy “Miracle Man” Weissman returning to share the field with his grandson. Inspired by “Miracle” Mendy, fellow old-timer Saadia Shapiro pitched two victories in a doubleheader including a shutout in the nightcap. The big news at the game was the new layers of security instituted by the Board. Posted guards performed tzitzis checks on all participants and anyone who didn’t know the parsha of the week was denied entry to the game.

Come on down to the field this Sunday to check out the new invigorated Villagers. As a bonus, the first fifty attendees will receive a complimentary quart of Joe Brandler’s all natural organic tick repellent/ hand sanitizer.

Let’s Go Villagers !!
