Shabbat Speaker - Ryan Hyman

"A Life Insurance Policy for Every Jew"

One would be hard-pressed to find someone today whose life has not been touched in some way by cancer, whether as a patient, or having a family member or friend who has been afflicted. For those whose chance of surviving cancer is dependent on a lifesaving stem cell transplant, only 25% will find a suitable genetic match within their own family. Where do the other 75% turn?

Ezer Mizion not only operates the largest paramedical organization in Israel, serving over 750,000 people annually through their two dozen plus programs and services, it also operates the world's largest Jewish bone marrow registry. With nearly 1 million potential stem cell donors in their growing registry, Ezer Mizion stands at the ready to facilitate transplants around the globe. A key feature of the Ezer Mizion Bone Marrow Registry is a unique relationship with the IDF. Every new chaya is offered the opportunity to be swabbed and included in the registry when they go through the Ezer Mizion clinic located at the IDF's Bakum Induction Center, adding tens of thousands of young, healthy and genetically diverse soldiers to the registry annually.

"The Ezer Mizion Bone Marrow Registry is possibly one of the most important life insurance policies for Jews around the world," says Ryan Hyman of Ezer Mizion, our Shabbat speaker this week. "I wake up every morning to the awesome responsibility of ensuring that our registry can continue to grow so that we can always say, 'Yes! We have a match!'" Ryan is no stranger to Vacation Village. Son-in-law of Effie and Barbara Love, Ryan is married to Amy and has three children, Avery, Zachary and Skylar. Ryan had the privilege of working for Bob Chambré for several years and credits Bob with helping him develop professional skills that have served him well in the not-for-profit world.

Please join us on Shabbat afternoon at 5:15 pm to hear how Ezer Mizion is saving lives across the globe every day. **"A Life Insurance Policy For Every Jew"** is the topic. For those between 18 and 45 who have never been swabbed, Ryan will be available on Saturday night before the show to swab you, so you, too, can be included in the world's largest Jewish bone marrow registry. You may be the match to save a life!

Shabbat Shalom

A Message from Ryan Hyman

Ezer Mizion, the world's largest Jewish bone marrow registry, will be swabbing potential stem cell donors on Saturday night outside the nightclub prior to the show. If you are between the ages of 18 and 45 and have never been swabbed before, please stop by to pick up a swabbing kit. The entire process takes less than 5 minutes and YOU could be THE lifesaving match for a cancer patient.

Thank you in advance for helping us save lives!

SATURDAY NIGHT ENTERTAINMENT

The Vacation Village Entertainment Committee is proud to present

COMEDIANS RICHIE BYRNE AND TAMMY PESCATELLI

Combine the sharpness of a New York observational wit with the charm of an old-school storyteller--add a dominating stage presence with one of the highest laugh-per-minute counts in the business & you have only scratched the surface of this one-of-a-kind performer. One of the most requested comedians working today, Richie possesses a unique range of talents!

A classic complainer, Richie's rants on everyday life are the type of humor we all can relate to. Whether it be family...his mother...his doctor...or just the world events going on around him, Richie can spin his view and take you on a journey that makes you feel he brought you along for the ride!

Richie's comedy credits include such well-known clubs as Dangerfield's, Caroline's and Gotham Comedy Club in Manhattan as well as countless venues around the country including Hilarities in Cleveland & The Ice House in Pasadena. He is also proud of the fact that he has appeared on the prestigious stages of Radio City Music Hall and Carnegie Hall as well as being the first comic to perform at The UN!

His TV appearances include "The Rosie O'Donnell Show", Comedy Central, VH1 and "Gotham Comedy Live" on AXSTV.

Currently, Richie Byrne is proud to be the warm-up act for the hit series, "The Dr. Oz Show" on which he has appeared several times.

Richie Byrne is a multi-talented, uniquely funny comedian & performer that you don't dare miss!!!

Comedian Tammy Pescatelli is the kind of woman you wish was your sister or your best friend. Like a good sister, she's always ready with a good joke or lively quip. Tammy learned her funny skills growing up in a large, crazy, Italian family outside of Cleveland. She went on to marry into an even larger, crazier, Italian family and has a little boy that she named after her husband-'just to prepare for Alzheimer's!" When people ask her - "Where do you get your material?" Tammy famously replies, "I wake up!" Her most recent 1 hour special, "Finding the Funny" was released in an exclusive deal with the trailblazing company, *NETLFIX*. Tammy's eye for actually finding the funny in all situations is what is bringing the project critical acclaim from fans and peers alike. That same special was selected "New and Noteworthy" by iTunes editors and also hit number 3 on the charts. Her smashing appearance on "The View" was followed up by another sensational appearance on "The Howard Stern Show". Tammy's recent reality series, *A Stand Up Mother* (which she co-created, executive produced, wrote and starred in) on *WETV*, documented her life as she balanced her family and her growing career with a lot of laughs. She was chosen by Jenny McCarthy to be part of her "Dirty, Sexy, Funny" comedy special *EPIX*. Being one of the Final Five on *NBC's "Last Comic Standing 2"* catapulted Tammy's career and won her a slew of new fans, solidifying her as one of the sharpest women in the comedy world.

Dvar Torah

from Dr. Elliot Grossman

Last Shabbos we read in Chapter 6 verse 9 . וּכְתַבְתֶּם עַל־מְזוֹזוֹת בֵּיתְךָ וּבִשְׁעָרֶיךָ .

The בְּרָכָה made on affixing a mezuzah is לְקַבּוֹעַ מְזוּזָה . The word מְזוּזָה actually means the doorpost itself [where they smeared the blood of the first Pascal lamb]. The word לְקַבּוֹעַ means "to set up." We use the word מְזוּזָה to refer to the piece of parchment that contains the two parshios of the שְׁמַע that we attach to the doorpost which is already built or "set up."

Why don't we say לְקַבּוֹעַ הַפְּרָשִׁיּוֹת [or something similar] as the בְּרָכָה? Rav Mecklenberg, in HaKetav ViHaKabalah, explains that the word מְזוּזָה derives from the word זָז which means "to move about." The doorpost is called a מְזוּזָה because we go through it to "move about" in the world. Life moves about and HKB"H wants His name associated with life and its movement.

The בְּרָכָה of לְקַבּוֹעַ מְזוּזָה really means "that I will set my movements to be according to the מְצוּוֹת of HKB"H." We should be reminded that our lives should be lived according to Torah precepts every time we walk through our doors.

In the Big Inning

The stars were not in alignment as the Villagers dropped a 4-3 decision to West Park in the league championship game. Trailing 3-0 late in the game Elly Scharf hit a three run homer to tie the score but West Park pushed across a run in the ninth inning to win the closely contested game.

Newly minted general manager Estelle Glass vowed to reinforce the Villager lineup next season. Estelle will be tapping into a talent pool as yet untouched. She vowed that next year we will be seeing great new players including Naomi "Bam Bam" Brody, Estelle "Boom Boom" Brandler and Gittie "The Flash" Faleck. Estelle has no doubt that the addition of these stud ball players will make all the difference. As an added bonus, Nechama Tzipporah Kessler has graciously volunteered to meditate with the team between innings.
